**Independent Auditors' Report to the Shareholders of Islami Bank Bangladesh PLC  
Report on the Audit of the Consolidated and Separate Financial Statements**

**Opinion**

We have audited the consolidated financial statements of Islami Bank Bangladesh PLC and its subsidiaries (the "Group") as well as the separate financial statements of Islami Bank Bangladesh PLC (the "Bank"), which comprise the consolidated and separate balance sheets as at 31 December 2025 and the consolidated and separate profit & loss accounts, consolidated and separate statements of changes in equity and consolidated and separate cash flow statements for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, the accompanying consolidated financial statements of the Group and separate financial statements of the Bank give a true and fair view of the consolidated financial position of the Group and the separate financial position of the Bank as at 31 December, 2025, and of its consolidated and separate financial performance and its consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note 2.1.

**Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), guidelines issued by Bangladesh Bank, and rules and regulations issued by Bangladesh Securities and Exchange Commission (BSEC), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye-Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matters**

Without modifying our opinion, we draw attention to the following matters:

**1. Provision Shortfall**

- i. As disclosed in note no. 11.00 to the financial statements on 31 December 2025, the Bank's total net investment is Taka 186,097.73 crore (Taka 189,951.52 crore gross investment as per Bangladesh Bank letter reference no. BSD-11/43(3)/2026-497 dated on 27 April 2026), which includes classified investments amounting to Taka 94,322.59 crore as disclosed in note. 11.7. Required provision for these classified investments is Taka 88,898.59 crore including OBU investment against which the bank has maintained provision of Taka 5,887.56 crore only as disclosed note 17.1.5. Thus, an amount of Taka 83,011.03 crore has remained short in the provision for the said classified investments.

- ii. As disclosed in the financial statements, the amount of Bank's Off-balance sheet items is Taka 19,854.57 crore. The required provision for off-balance sheet exposures as at 31 December 2025 is Taka 746.08 crore against which the Bank has kept provision of Taka 96.90 Crore as disclosed in note no. 17.1.5. Thus, the shortfall of provision for off-balance sheet exposures has remained of Taka 649.18 Crore.
- iii. As disclosed in note no. 8.00 (i) to the financial statements, Balance with other banks and financial institutions (FIs) is Taka 9,092.36 crore. The required provision amounts are Taka 895.57 crore, against which the Bank has kept provision amounting to Taka 205.57 crore only as disclosed in note 17.3. Thus, an amount of Taka 690.00 crore has remained short in the provision for the said Balance with other banks and FIs.
- iv. As disclosed in note no. 17.3 to the financial statements, the required provision for Investment in Shares and Bonds, amounts to Taka 448.00 crore, against which the Bank has kept provision amounting to Taka 183.03 crore only. Thus, an amount of Taka 264.97 crore has remained short in the provision for the said Balance with Investment in Shares and Bonds. Moreover, there have Taka 208.59 crore shortfall in the written off amount.

As per Bangladesh Bank letter reference no. BSD-11/43(3)/2026-497 dated on 27 April 2026, as at 31 December 2025, required provision stands at Taka 92,537.56 crore, against which the Bank has provided only Taka 7,922.41 crore. As a result, there remains a total shortfall in provisions of Taka 84,615.15 crore for Investments and other assets as discussed above. Non-recognition of shortfall in provision has its consequential impact such as overstatement of assets, net profit and equity and understatement of liability.

However, the Bangladesh Bank, through its letter reference no. BSD-11/43(3)/2026-508, dated 28 April 2026, has granted permission to the Bank to finalize its financial statements for the year ended 31 December 2025 without incorporating the required adjustment for provisions amounting to Taka 84,615.15 crore, due to the Bank's insufficient profit with adequate disclosure of provision shortfall in market disclosure. While the maintenance of adequate provisions is required under the International Financial Reporting Standards (IFRSs), in instances where local laws and regulations differ from IFRSs, the local regulatory requirements shall prevail. Bank management has to submit a Board-approved realistic time bound action for overcoming the shortfall of provision and capital within a month after finalization of the financial statements as per Bangladesh Bank letter ref: BSD-11/43(3)/2026-508, dated 28 April 2026.

Additionally, we draw attention to Note 2.7 to the financial statements which states that the financial statements have been prepared on a going concern basis, considering the regulatory forbearance extended by Bangladesh Bank. The continued application of the going concern assumption is dependent on the ongoing policy support of Bangladesh Bank.

## **2. Investment Income**

As disclosed in Note 24 to the financial statements and in accordance with Bangladesh Bank letter reference no. BSD-11/43(3)/2026-497 dated 27 April 2026, a portion of the income has been adjusted during the year while the balance amount will be adjusted within the timeframe as stipulated in the letter.

### 3. Capital Adequacy

- a) As disclosed in note no. 20 to the financial statements, as per section 13 (2) of the Bank Company Act 1991 (amended in 2023), BRPD circular No. 35 dated 29 December 2010 and BRPD Circular No. 18 dated 21 December 2014 to fulfil the Basel-III requirement, the required capital of the Bank as at 31 December 2025 was Taka 19,200.91 crore of Risk Weighted Assets against which the Bank's reported capital is Taka 9,855.19 crore as at the balance sheet date. Thus, the Bank's reported capital shortfall negative is Taka 9,345.72 crore as at the balance sheet date. If the shortfall in provision of Tk. 84,615.19 crore as stated in para 1 above is considered, the Regulatory capital shortfall of the Bank would have been Tk 93,960.92 crore as disclosed in note. 20.2.
- b) As disclosed in note no. 20.2 to the financial statements, as per section 13(2) of the Bank Company Act 1991 (amended in 2023), BRPD Circular No. 35 dated 29 December 2010, and BRPD Circular No. 18 dated 21 December 2014 to fulfil the Basel-III requirement, the required Capital Adequacy Ratio (CRAR) of the Bank was 12.50% (including capital conservation buffer) of Risk Weighted Assets but the Bank's reported CRAR was 6.42%. If there were no forbearance from Bangladesh Bank and the shortfalls in provisions mentioned in this audit report were considered, as on 31 December 2025, the aggregated loss of the bank would have been Taka 84,507.83 Crore on solo basis as disclosed in note 40.

### 4. Credit Concentration Risk

As per Section 26(2) of the Bank Company Act, 1991 (as amended in 2023) and Bangladesh Bank's BRPD Circular No. 01 dated 16 January 2022, the Bank's total exposure (Funded and Non-funded) to a single borrower or group is restricted to 25% of its capital, a maximum of 15% for funded and 10% for non-funded exposures. However, based on information provided by the Bank as disclosed in note no. 11.6, multiple exposures were found which exceeded the above regulatory thresholds significantly.

### 5. Liquidity & Statutory Compliance

We draw attention to note 7.3.1 of the financial statements, the Bank maintained regulatory threshold of CRR & SLR throughout the year, except few instances.

### 6. Other Assets & Recoverability Concerns

- a) As disclosed in Note 13.3 of the financial statements, the Bank reported an amount of BDT 1,334.90 crore under the "IB General Accounts" within Other Assets. This amount primarily comprises un-responded foreign payment transactions for which corresponding force loans were not created. This

amount has a material impact on the Bank’s financial position and should be duly considered when assessing the total investments. However, corresponding force loans were subsequently created after the balance sheet date.

- b) As disclosed in Note 10.2(v) of the financial statements, the Bank has invested BDT 844 crore in subordinated debt instruments issued by financially weak banks, including First Security Islami Bank PLC, Social Islami Bank PLC, and Union Bank PLC. Under the ongoing banking sector reform initiatives, these banks are expected to undergo mergers. As a result, the recoverability of these investments has become uncertain.

Our opinion is not modified in respect of the above matters.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of the most significance in our audit of the consolidated and separate financial statements of the current period. These matters were addressed in the context of our audit of the consolidated and separate financial statements, and informing our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below our description of how our audit addressed the matter is provide in that context.

Description of key audit matters	Our response to key audit matters
<p><b>Measurement of provision for investments</b></p> <p>The process for estimating the provision for investment portfolios associated with credit risk is significant, judgmental, and complex.</p> <p>For the individual analysis for large exposure, the provision calculation considers the estimates of future business performance and the market value of the collateral provided for credit transactions.</p> <p>For the collective analysis of exposure on a portfolio basis, provision calculation and reporting are manually processed, which deal with voluminous databases, assumptions, and estimates.</p> <p>Due to the high level of judgment involved and the use of the manual process in estimating the provision for investment, we considered this to be a key audit matter.</p> <p>At year-end, the Group and the Bank reported total net investments of BDT 185,627.73 Crore (2024: BDT 154,658.37 Crore) and BDT 186,097.72 Crore (2024: BDT 155,128.37 Crore), and provision for investments of BDT 7,247.18 Crore (2024: BDT 7,183.08 Crore) and BDT 7,247.18 Crore (2024: BDT 7,183.08 Crore) respectively.</p>	<p>We tested the design and operating effectiveness of key controls, focusing on the following:</p> <ul style="list-style-type: none"> <li>• Review of quarterly Classification of Investment/Loan (CL); Our substantive procedures for the provision of the investment portfolio comprised the following:</li> <li>• Reviewed the adequacy of the general and specific provisions in line with related Bangladesh Bank guidelines;</li> <li>• Assessed the methodologies on which the provision amounts are based, recalculated the provisions, and tested the completeness and accuracy of the underlying information;</li> <li>• Evaluated the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.</li> <li>• Finally, compared the amount of provision requirement as determined by the Bangladesh Bank inspection team to the actual amount of provision maintained.</li> </ul>

Description of key audit matters	Our response to key audit matters
Provision measurement is primarily dependent upon key assumptions relating to the probability of default, ability to repossess collateral, and recovery rates.	
<b>See notes no. 11 and 17.1 to the financial statements.</b>	

Description of key audit matters	Our response to key audit matters
<b>Recognition of investment income</b>	
<p>Recognition of Investment income has a significant and wide influence on financial statements. Recognition and measurement of Investment income has involvement of complex IT environments.</p> <p>We identified recognition of Investment income as a key audit matter because this is one of the key performance indicators of the Bank, and therefore, there is an inherent risk of fraud and error in the recognition of Investment income by management to meet specific targets or expectations.</p> <p>At year's end, the Bank reported total gross investment income of BDT 12,388.18 Crore (2024: BDT 12,059.11 Crore).</p>	<ul style="list-style-type: none"> <li>• We tested the design and operating effectiveness of key controls over the recognition and measurement of investment income.</li> <li>• We performed tests of operating effectiveness on automated controls in place to measure and recognize investment income.</li> <li>• We have also performed substantive procedures to check whether investment income is recognized completely and accurately.</li> <li>• We assessed the appropriateness and presentation of disclosure against relevant accounting standards and Bangladesh Bank guidelines.</li> </ul>
<b>See note no. 24 to the financial statements.</b>	

Description of key audit matters	Our response to key audit matters
<b>Recognition of investment</b>	
<p>Investments are the main element of the financial statements of the Bank. The profit of the Bank is mainly dependent on the portfolio of Investments. Management performance is highly dependent on the target achievement of Investment. Investment disbursement requires robust documentation followed by approval from an appropriate level of authority.</p> <p>We have identified Investment as a key audit matter because there is an inherent risk of fraud and misstatement in the disbursement of investment by management to meet specific targets or expectations.</p> <p>At year's end, the Group and the Bank reported total net investments of BDT 185,627.72 Crore (2024:</p>	<ul style="list-style-type: none"> <li>• We tested the design and operating effectiveness of key controls, focusing on investment appraisal, investment disbursement procedures, and the monitoring process of investment.</li> <li>• We have performed a procedure to check whether the Bank has ensured appropriate documentation as per Bangladesh Bank regulations and the Bank's policy before the disbursement of investment.</li> <li>• In addition, we have performed a procedure to check whether the investments are recorded completely and accurately, and whether are exist at the reporting date.</li> </ul>

Description of key audit matters	Our response to key audit matters
<b>IT systems and controls</b>	
<p>Our audit procedures have a focus on IT systems and controls due to the pervasive nature and complexity of the IT environment, the large volume of transactions processed in numerous locations daily, and the reliance on automated and IT-dependent manual controls.</p> <p>Our areas of audit focus included user access management, developer access to the production environment, and changes to the IT environment. These are key to ensuring IT-dependent and application-based controls are operating effectively.</p>	<ul style="list-style-type: none"><li>We tested the design and operating effectiveness of the Bank's IT access controls over the information systems that are critical to financial reporting.</li><li>We tested IT general controls (logical access, change management, and aspects of IT operational controls). This included testing that requests for access to systems were appropriately reviewed and authorized.</li><li>We tested the Bank's periodic review of access rights and reviewed requests for changes to systems for appropriate approval and authorization.</li><li>We considered the control environment relating to various interfaces, configurations, and other application layer controls identified as key to our audit.</li><li>We performed the Tests of IT General Controls to evaluate the Application Development and Database, Hosting Platforms, and segregation of incompatible duties relevant to application and database change management.</li></ul>

### **Other Information**

Management is responsible for the other information. The other information comprises all of the information in the Annual Report other than the consolidated and separate financial statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate financial statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to the board of directors of the Bank.

### **Responsibilities of Management and those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls**

Management is responsible for the preparation and fair presentation of the consolidated financial statements of the Group and also separate financial statements of the Bank in accordance with IFRSs, as explained in note no. 2.00, and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act 1991 and the Bangladesh Bank regulations require the Management to ensure effective internal audit, internal control, and risk management functions of the Bank.

The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to the Bangladesh Bank on instances of fraud and forgery.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

### **Auditors' Responsibilities for the Audit of the Consolidated and Separate Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. *Misstatements can arise from fraud or error and are considered material if,*

individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- the risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- conclude on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and the Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- evaluate the overall presentation, structure, and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

In accordance with the Companies Act 1994 (as amended up to date), the Securities and Exchange Rules 2020, the Bank Company Act 1991 (amended up to date), the Financial Reporting Act 2015, and the rules and regulations issued by Bangladesh Bank, we also report that:

- i. we have obtained all the information and explanations that, to the best of our knowledge and belief, were necessary for the purpose of our audit and made due verification thereof.
- ii. in our opinion, proper books of accounts as required by law have been kept by the Group and the Bank so far as it appeared from our examination of those books.
- iii. the records and statements submitted by the branches have been properly maintained and consolidated in the financial statements.
- iv. the balance sheet and profit and loss account of the Bank dealt with by the report are in agreement with the books of account and returns and as noted in the Emphasis of Matters section of this report.
- v. the consolidated financial statements of the Group and the separate financial statements of the Bank have been drawn up, in material respect, in conformity with prevailing rules, regulations and accounting standards as well as related guidance issued by Bangladesh Bank.
- vi. provisions have been made for investment, OBU, and off-balance sheet exposures as per Bangladesh Bank's BSD letter no. BSD-11/43(3)/2026-497 dated 27 April, 2026, and as per forbearance letter vide: BSD-11/43(3)/2026-508, dated 28 April, 2026, which are, in our opinion, doubtful of recovery and have been addressed in Emphasis of Matters section of this report.
- vii. based on our sample testing, we identified instances where advances or loans were sanctioned in excess of the limits prescribed by the Bangladesh Bank, as detailed in note 11.6.
- viii. to the extent noted during the course of our audit work performed on the basis stated under the Auditor's Responsibility for the audit of the consolidated and separate financial statements section in forming the above opinion on the consolidated financial statements of the Group and the separate financial statements of the Bank and considering the reports of the Management to Bangladesh Bank on anti-fraud internal controls and instances of fraud and forgeries as stated under the Management's Responsibility for the financial statements and internal control:
  - a. the internal audit, internal control, and risk management arrangements of the Bank as disclosed in the financial statements appeared to be inadequate in specific cases;
  - b. we have observed, material instances of irregularities (such as sanctioning of investments to newly formed entities without proven track records, renewal of facilities despite poor financial performance, unauthorized approval of special limits by the Managing Director, alteration of investment terms in TORCH software without proper authorization, sanctioning with inadequate collateral and weak IIRR analysis, and inadequate physical inspection of borrowers' operations etc.) and administrative error (other than matters disclosed in these financial statements);
- ix. financial statements for the year ended 31 December, 2025 of two subsidiaries, namely, Islami Bank Securities Limited, Dhaka, audited by Toha Khan Zaman & Co., Chartered Accountants, and Islami Bank Capital Management Limited audited by Aziz Halim Khair Choudhury,

Chartered Accountants, who have issued unqualified opinion on those financial statements have been properly reflected in the consolidated financial statements.

- x. the information and explanations required by us have been received and found satisfactory.
- xi. we have reviewed over 80% of the Risk Weighted Assets of the Bank, covering 27 branches as well as the Head office, and spent over 22,290 person hours; and
- xii. the Bank maintained a Capital to Risk-weighted Asset Ratio (CRAR) 6.42% with forbearance of Bangladesh Bank vide letter ref: BSD-11/43(3)/2026-508, dated 28 April 2026, which is explained in note no. 20.02.. Moreover, the Bank maintained regulatory threshold of CRR & SLR throughout the year, except few instances. . The above matters have been addressed in the Emphasis of Matters section of the report.
- xiii. as part of our going concern assessment, we reviewed maturity mismatch between assets and liabilities which may adversely affect the Bank's subsequent liquidity position; and we draw attention to note 2.7 to the financial statements which states that the financial statements have been prepared on a going concern basis, considering the regulatory forbearance extended by Bangladesh Bank. The continued application of the going concern assumption is dependent on the ongoing policy support of Bangladesh Bank, without which Islami Bank Bangladesh PLC may encounter challenges in maintaining its going concern status.
- xiv. non-banking assets have been accounted in conformity with Bangladesh Bank guidelines.

## 2.0 Basis of preparation of financial statements

### 2.1 Reporting framework and compliance thereof

The Bank and its subsidiaries are being operated in strict compliance with the rules of Islamic Shari'ah. The financial statements (consolidated & separate) have been prepared in accordance with the guidelines of Islamic banking issued by Bangladesh Bank through BRPD Circular No. 15 dated 09.11.2009. The Financial Reporting Act 2015 (FRA) was enacted in 2015. Under the FRA, the Financial Reporting Council (FRC) is formed and it is yet to issue financial reporting standards for public interest entities such as banks hence International Financial Reporting Standards (IFRS) as approved by the Institute of Chartered Accountants of Bangladesh (ICAB) are still applicable. Accordingly, the financial statements of the Bank continue to be prepared in accordance with International Financial Reporting Standards (IFRS) and the requirements of the Bank Company Act 1991 as amended, the rules and regulations issued by Bangladesh Bank (BB), the Companies Act 1994, the Securities and Exchange Rules, 2020, Standards issued by the Accounting and Auditing Organization for Islamic Financial Institutions (AAOIFI), as a member of that organization. Where the reporting guidelines issued by Bangladesh Bank and Bank Companies Act differ with those of IFRS, the requirements of the Bank Company Act 1991, and provisions and circulars issued by Bangladesh Bank shall prevail. As such the Bank has departed from those requirements of IFRSs in order to comply with the rules and regulations of Bangladesh Bank which are disclosed below:

#### I. Presentation of financial statements

##### IFRS

As per IAS-1 "Presentation of Financial Statements", financial statements shall comprise statement of financial position, statement of profit or loss and other comprehensive income, statement of changes in equity, statement of cash flows, notes to the financial statements comprising summary of accounting policies and other explanatory information and retrospective restatement of items in the earlier financial statement, where applicable. Furthermore, IAS-1 states that, an entity shall present its current and non-current assets and liabilities, as separate classifications in its statement of financial position.

##### Bangladesh Bank

The financial statements and certain disclosures therein are presented in a prescribed format (i.e. balance sheet, profit and loss account, cash flows statement, statement of changes in equity, liquidity statement) in accordance with the guidelines of the 'First Schedule' (section 38) of the Bank Company Act 1991 as amended and BRPD circular no. 15 dated 09 November, 2009 and other subsequent guidelines of BB. In the prescribed format of BB there is no component of other comprehensive income and accordingly the elements of other comprehensive income and the tax thereon (if any) is recognized directly in the statement of changes in equity. The assets and liabilities are presented in accordance with the prescribed format of BB and accordingly not classified as current and non-current classification as required by IAS-1.

#### II. Name of the Components of Financial Statements

##### IFRS

As per IAS 1, complete set of financial statements consists statement of financial position, statement of profit or loss and other comprehensive income, statement of changes in equity, statement of cash flows and notes comprising a summary of significant accounting policies and other explanatory information.

##### Bangladesh Bank

The forms of financial statements and directives for preparation thereof of the Islamic banking companies in Bangladesh are guided by BRPD circular no. 15 dated 09 November 2009 Bangladesh Bank. BRPD circular no. 15 states the statement of financial position as balance sheet and statement of profit or loss and other comprehensive income as profit and loss account.

#### III. Other Comprehensive Income

##### IFRS

As per IAS-1 "Other Comprehensive Income (OCI)" is a component of of financial statements or the elements of OCI are to be included in a single Other Comprehensive Income (OCI).

##### Bangladesh Bank

Bangladesh Bank has issued templates for financial statements which will strictly be followed by all banks. The templates of financial statements issued by Bangladesh Bank do not include Other Comprehensive Income nor are the elements of Other Comprehensive Income allowed to be included in a single Other Comprehensive Income (OCI) Statement. As such the Bank does not prepare the Other Comprehensive Income statement. However, elements of OCI, if any, are shown in the statement of changes in equity.

#### IV. Disclosure of Appropriation of Profit

##### IFRS

IFRS do not require to appropriation of profit to be shown on the face of the statement of comprehensive income.

##### Bangladesh Bank

As per BRPD circular no. 14, dated 25 June 2003 and BRPD 15 dated 09 November 2009, an appropriation of profit should be disclosed on the face of profit and Loss Account.

#### V. Investments in shares and securities

##### IFRS

As per requirements of IFRS-9 "Financial Instruments", investment in shares and securities are generally classified either at fair value through profit or loss or at fair value through other comprehensive income and measured initially at its fair value plus transaction costs that are directly attributable to the acquisition of the financial asset. However in the case of financial assets classified and measured at fair value through profit or loss, transactions costs are immediately recognised in profit or loss. Change in the fair value of shares and securities measured at fair value through profit or loss is recognised in the statement of profit or loss and changes in the fair value of shares and securities measured at fair value through other comprehensive income is recognised in the other comprehensive income and are never reclassified to profit or loss.

##### Bangladesh Bank

As per BRPD circular no. 14 dated 25 June 2003, investments in shares and securities are classified under held to maturity (HTM) or held for trading (HFT) "and measured at cost. Transaction costs that are directly attributable to the acquisition added to the initial fair value except for financial assets classified as HFT where they should be recognised in profit or loss.

After initial recognition, HFT govt. securities are measured according to DOS circular no. 05 dated 26 May 2008 and DOS circular no. 05 dated 28 January 2009, where amortization loss is charged to profit and loss account, mark-to-market loss on revaluation is charged to profit and loss account, but any unrealized gain on such revaluation is recognized in revaluation reserve account. HTM govt. securities are measured at amortized cost and increase/decrease related to amortization is recognized in equity.

As per BRPD circular no. 14 dated 25 June 2003 and DOS circular No.4 dated 24 November 2011, investments in quoted and unquoted shares are revalued at the year-end at market price and at Book Value of last audited balance sheet respectively. As such, provision is made against the diminution in value of investments considering netting off gain /loss. Investment in mutual fund (open-end) is revalued at lower of cost and higher of (market value and 95% of NAV) as per instruction of DOS circular no. 03 dated 12 March 2015 and closed end mutual fund is revalued at lower of cost and higher of (market value and 85% of NAV) as per DOS circular no. 10 dated 28 June 2015. As such, provision is made for any loss arising from diminution in value of investments (portfolio basis); otherwise investments are recognized at costs.

#### VI. Provision for investments

##### IFRS

As per IFRS 9 an entity shall recognise an impairment allowance on loans and advances based on expected credit losses. At each reporting date, an entity shall measure the impairment allowance for loans and advances at an amount equal to the lifetime expected credit losses if the credit risk on these loans and advances has increased significantly since initial recognition. For those loans and advances for which the credit risk has not been increased significantly since initial recognition, an entity shall measure the impairment allowance at an amount equal to 12 months expected credit losses.

##### Bangladesh Bank

As per BRPD Circular no. 14 dated 23 September 2012, BRPD Circular no. 04 dated 29 January 2015, BRPD Circular no. 08 dated 02 August 2015, BRPD Circular No.12, dated 20 August, 2017, BRPD Circular No. 12 dated 20 August, 2017, BRPD Circular No. 01 dated 20 February, 2018, BRPD Circular No. 01 dated 20 February, 2018, BRPD Circular no. 03 dated 21 April 2019, BRPD Circular no. 16 dated 21 July 2020, BRPD Circular no.51& 53 dated 30 December 2021, BRPD Circular no. 14 dated 22 June 2022, BRPD Circular no. 51 dated 18 December 2022, BRPD Circular no. 53 dated 22 December 2022, BRPD Circular no. 11 dated 20 June 2023 and BRPD Circular no. 20 dated 21 June 2023 general provision at 0.25% to 2% under different categories of unclassified investments (good/standard investments) has to be maintained regardless of objective evidence of impairment. Also provision for sub-standard, doubtful and bad & loss investments have to be provided at 20%, 50% and 100% respectively and sub-standard 5%, doubtful 20% and bad & loss 100% for CMSME investment (except short-term agricultural and micro-credits where 1% for all unclassified investment (irregular & regular) 5% for sub-standard and doubtful investments and 100% for bad & loss investments) depending on the duration of overdue.

#### VII. Provision for Off-balance sheet items

##### IFRS

There is no concept of off-balance sheet items in any IFRS; hence there is no requirement for making provision or disclosure of off-balance sheet items on the face of the statement of financial position.

##### Bangladesh Bank

Banks are required to calculate provision requirements as per BRPD Circular No. 15 dated 27 November 2024 and BRPD Circular No. 29 of 2025 dated 21 December 2025 under the revised classification and provisioning framework. According to the said circulars, provision at the rate of 0.50% is to be calculated against all unclassified (STD-0, STD-01, STD-02, and SMA) investments under CMS enterprise credits under the CMSME sector and Short-Term Agricultural Investments.

For all other unclassified investments (other than CMS and Short-Term Agricultural Investments), provision is to be maintained at 1% for STD-0, STD-01, and STD-02 categories, and 5% for the SMA category.

Further, for classified investments of all types, provision is required at 20% for Sub-standard (SS), 50% for Doubtful (DF), and 100% for Bad/Loss (BL)

#### VIII. Recognition of investment income in suspense

##### IFRS

Investment to customers (loans and receivables) are generally classified at amortized cost as per IFRS 9 "Financial Instruments" and investment income is recognised by using the effective interest/profit rate method over the term of the investment. Once an investment is impaired, the entity shall apply the effective interest/profit rate to the amortised cost of these investments.

##### Bangladesh Bank

As per BRPD circular no. 14 dated 23 September 2012, once an investment is classified, investment income on such investment are not allowed to be recognised as income, rather the corresponding amount needs to be credited to an investment income in suspense account, which is presented as liability in the balance sheet.

#### IX. Financial instruments – presentation and disclosure

In several cases Bangladesh Bank guidelines categorise, recognise, measure and present financial instruments differently from those prescribed in IFRS-9. As such full disclosure and presentation requirements of IFRS-7 cannot be made in the financial statements.

#### X. Financial guarantees

##### IFRS

As per IFRS-9, financial guarantees are contracts that require an entity to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of a debt instrument. Financial guarantee liabilities are recognised initially at their fair value, and the initial fair value is amortised over the life of the financial guarantee. The financial guarantee liability is subsequently measured at the higher of: the amount of the loss allowance for expected credit losses as per impairment requirement and the amount initially recognised less, the cumulative amount of income recognised in accordance with the principles of IFRS 15. Financial guarantees are included within other liabilities.

##### Bangladesh Bank

As per BRPD 14 dated 25 June 2003 and BRPD 15 dated 09 November 2009, financial guarantees such as letter of credit, letter of guarantee will be treated as off-balance sheet items.

#### XI. Cash and Cash Equivalents

##### IFRS

Cash and Cash Equivalent items should be reported as cash items as per IAS-7 "Statement of Cash Flows".

##### Bangladesh Bank

Some cash and cash equivalent items such as 'money at call and on short notice', Treasury bills, Bangladesh Bank bills and Prize bond are not shown as cash and cash equivalent. Money at call and on short notice presented on the face of the balance sheet, and Treasury bills, Prize bonds are shown in investments.

#### XII. Balance with Bangladesh Bank: (Cash Reserve Requirement)

##### IFRS

Balance with Bangladesh Bank that are required to be kept as part of cash reserve requirement, should be treated as other asset as it is not available for use in day to day operations as per IAS-7 "Statement of Cash Flows".

##### Bangladesh Bank

Balance with Bangladesh Bank is treated as cash and cash equivalents.

### XIII. Cash flows statement

#### IFRS

The Cash flow statement can be prepared using either the direct method or the indirect method. The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.

#### Bangladesh Bank

As per BRPD 14 dated 25 June 2003 and BRPD 15 dated 09 November 2009, cash flow statement is to be prepared following a mixture of direct and indirect methods.

### XIV. Non-banking assets

#### IFRS

No indication of Non-banking asset is found in any IFRS.

#### Bangladesh Bank

As per BRPD 14 dated 25 June 2003, BRPD 15 dated 09 November 2009 and BRPD 22 dated 20 September 2021, there must exist a face item named Non-banking assets.

### XV. Presentation of intangible asset

#### IFRS

An intangible asset must be identified and recognised, and the disclosure must be given as per IAS-38 "Intangible Assets".

#### Bangladesh Bank

There is no regulation for intangible assets in BRPD 14 dated 25 June 2003 and BRPD 15 dated 09 November 2009.

### XVI. Off-balance sheet items

#### IFRS

As per IFRS, there is no requirement for disclosure of off-balance sheet items on the face of the balance sheet.

#### Bangladesh Bank

As per BRPD circular no. 14 dated 25 June 2003 and BRPD 15 dated 09 November 2009, off balance sheet items (e.g. Letter of credit, Letter of guarantee etc.) must be disclosed separately on the face of the balance sheet.

### XVII. Investments net off provision

#### IFRS

Investments should be presented net off provision.

#### Bangladesh Bank

As per BRPD 14 dated 25 June 2003 and BRPD 15 dated 09 November 2009, provision on investments are presented separately as liability and can not be netted off against investments.

### XVIII. Revenue

As per IFRS 15, revenue is generally recognized on an accrual basis. However, due to the unique nature of Islamic banking operations, income from investments under Mudaraba, Musharaka, Bai-Salam, Bai-as-Sarf, and Ujarah modes (Khidmah Card) is recognized on a realization basis in accordance with AAOIFI Shariah Standards and the guidelines/circulars issued by Bangladesh Bank.

### XIX. Charges on tax on retained earnings, reserve, surplus as per Income Tax Act, 2023

As per section 22 of the Income Tax Act, 2023, Listed companies should disclose proposed dividend in the balance sheet as "amount to be distributed as dividend". However there is no provision for this in BRPD 14 dated 25 June 2003 and BRPD 15 dated 09 November 2009 and IFRS also restricts to disclose such presentation in the balance sheet.

#### 2.2 Measurement of elements in the financial statements

Measurement is the process of determining the monetary amounts at which the elements of the financial statements are to be recognized and carried in the financial statements. The measurement basis adopted by the Bank is historical cost except for land, building and few of the financial assets which are stated in accordance with the policies mentioned in the respective notes.

#### 2.3 Basis of consolidation

The group financial statements include the financial statements of the Bank and its subsidiaries that it controls. The Bank prepares consolidated financial statements using uniform accounting policies for similar transactions and other events in similar circumstances. Consolidation of an investee shall begin from the date the investor obtains control of the investee and cease when the investor loses control of the investee.

The Bank presents non-controlling interests in the consolidated statement of financial position (Balance Sheet) within equity, separately from the equity of the owners of the Bank. Changes in the Bank ownership interest in a subsidiary that do not result in losing control of the subsidiary are equity transactions (i.e. transactions with owners in their capacity as owners).

#### 2.3.1 Consolidation procedures

> Combining like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries.

> Offsetting (eliminating) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.

> Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed assets [property, plant & equipment], are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements.

#### 2.3.2 Investment in subsidiaries in the Bank separate financial statements

When the Bank prepares separate financial statements, it accounts for investments in subsidiaries at cost.

#### 2.4 Functional and presentation currency

The consolidated and separate financial statements of the Bank are presented in Bangladeshi Taka which is the functional currency of the Bank and its subsidiaries except for Off-shore Banking Unit (OBU) where the functional currency is US Dollar (USD). All financial information presented in Taka (BDT) has been rounded to the nearest integer, except otherwise indicated.

## 2.5 Use of estimates and judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses, and disclosure requirements for contingent assets and liabilities during and at the date of the financial statements.

Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions of accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected.

Information about significant areas of estimation uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements include depreciation, amortization, impairment, post employment benefits liabilities, accruals, taxation and provision.

## 2.6 Comparative information and rearrangement thereof

Comparative figures have been re-arranged wherever considered necessary to ensure better comparability with the current period without causing any impact on the profit and value of assets and liabilities as reported in the financial statements.

## 2.7 Going concern

When preparing financial statements, management makes an assessment of the Bank's ability to continue as a going concern. The Bank prepares financial statements on a going concern basis.

## 2.8 Accrual basis of accounting

The Bank prepares its financial statements, except for cash flow information, using the accrual basis of accounting. Since the accrual basis of accounting is used, the Bank recognizes items as assets, liabilities, equity, income and expenses (the elements of financial statements) when they satisfy the definitions and recognition criteria for those elements in the Framework.

## 2.9 Materiality and aggregation

The Bank presents separately each material class of similar items. The Bank presents separately items of a dissimilar nature or function unless they are immaterial. Financial statements result from processing large numbers of transactions or other events that are aggregated into classes according to their nature or function.

## 2.10 Offsetting

The Bank does not offset assets and liabilities or income and expenses, unless required or permitted by BB guidelines or IFRS.

## 2.11 Reporting period

These financial statements of the Bank and its subsidiaries cover one calendar year from 01 January 2025 to 31 December 2025.

## 2.12 Authorization of the financial statements for issue

The consolidated financial statements and the separate financial statements of the Bank were reviewed by the Audit Committee of the Board in its 585 th meeting on April 29, 2026 and was subsequently authorized for issue by the Board of Directors in its 400 th meeting held on 29th April, 2026. The Financial Statements has been issued in line with BB letter no. BSD-11/43(3)/2026-496, dated 27 April, 2026 and Bangladesh Bank Notification vide BSD-11/43(3)/2026-508, dated 28 April, 2026.

## 2.13 Cash flow statement

Cash Flow Statement is prepared in accordance with IAS-7 "Statement of Cash Flows" as well as the guidelines for islamic banking issued by Bangladesh Bank through BRPD Circular No. 15 dated 09.11.2009 and BRPD Circular No.14 dated 25.06.2003. The Statement shows the structure of changes in cash and cash equivalents during the year.

## 2.14 Statement of changes in equity

Statement of Changes in Equity has been prepared in accordance with IAS-1 "Presentation of Financial Statements" as well as the guidelines for islamic banking issued by Bangladesh Bank through BRPD Circular No. 15 dated 09.11.2009 and BRPD Circular No.14 dated 25.06.2003.

## 2.15 Liquidity statement

Liquidity Statement has been prepared based on the residual/remaining maturity of assets and liabilities as on 31 December 2025 as per the guidelines for islamic banking issued by Bangladesh Bank through BRPD Circular No. 15 dated 09.11.2009 and BRPD Circular No.14 dated 25.06.2003 as follows:

- i) Balance with other banks and financial institutions, etc. are on the basis of their respective maturity term;
- ii) Investments in shares & securities are on the basis of their respective maturity;
- iii) General investments are on the basis of their recovery/repayment schedule;
- iv) Fixed assets [property, plant & equipment] are on the basis of their useful lives;
- v) Other assets are on the basis of their realization/amortization;
- vi) Deposits and other accounts are on the basis of their maturity and payments;
- vii) Provisions and other liabilities are on the basis of their adjustment/settlement;
- viii) Due to perpetual in nature/maturity, Mudaraba Perpetual Bond (MPB) is reported under maturity more than 5 (five) years.
- ix) Mudaraba Redeemable Subordinated Bond is reported under maturity within 1 (one) year for Tk. 320 (Three hundred twenty) crore, 1 (one) to 5 (five) years for Tk. 1,004 (One thousand and four) crore and more than 5 (five) years for Tk. 200 (Two hundred) crore.

## 2.16 Changes in accounting policies

The Bank changes its accounting policy only if the change is required by IFRS or Bangladesh Bank Guidelines or results in the financial statements providing reliable and more relevant information about the effects of transactions, other events or conditions on the Bank's financial position, financial performance or cash flows. Changes in accounting policies is to be made through retrospective application by adjusting opening balance of each affected components of equity i.e. as if new policy has always been applied.

### 2.16.1 IFRS-16: Lease

In January 2016, the International Accounting Standards Board (IASB) issued IFRS-16. IFRS-16 replaces IAS-17, IFRIC 4, SIC 15 and SIC 27 which sets out the principles for recognition, measurement, presentation and disclosure of leases which is effective from annual reporting periods beginning on or after 01 January 2019. IBBPLC has applied IFRS-16 Leases for the first time with the date of initial application of 01 January 2019. As IFRS-16 supersedes IAS-17 Lease, the bank has made recognition, measurement and disclosure in the financial statements-2025 both as Lessee and Lessor as per IFRS-16.

**Bank as lessee:**

"The bank assesses at initiation of a contract whether the contract is, or contains a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange of consideration, then the bank consider the contract as a lease contract. The bank as a lessee applies a single recognition and measurement approach for all leases, except for short-term leases, or, and lease of low value of assets. The bank recognizes lease liabilities to make lease payment and right-of-use assets representing the right to use the underlying assets. If tenor of a lease contract does not exceed twelve months from the date of initiation/application, the bank considers the lease period as short term in line with the recognition threshold of ROU assets as per policy of the bank. The Bank determine incremental borrowing rate to calculate the ROU assets and depreciate the asset over the useful life by straight line method. The right-of-use asset is measured at cost, which is made up of the initial measurement of the lease liability, any initial direct costs incurred by the Bank, an estimate of any costs to dismantle and remove the asset at the end of the lease, and any lease payments made in advance of the lease commencement date (net of any incentives received).

Subsequent to initial measurement, the liability will be reduced for payments made and increased for interest. It is premeasured to reflect any reassessment or modification, or if there are changes in in-substance fixed payments. The Bank has elected to account for short-term leases and leases of low-value assets using the practical expedients. Instead of recognizing a right-of-use asset and lease liability, the payments in relation to these are recognized as an expense in profit or loss on a straight-line basis over the lease term. On the statement of financial position, right-of-use assets have been included in property, plant and equipment and lease liabilities have been included other liabilities.

**Right-of-use assets (ROU):**

"The bank recognizes the right-of-use (ROU) assets at the commencement date of the lease (i.e. the date the underlying asset is available for use). ROU assets are measured at cost less any accumulated depreciation and impairment of losses and adjusted for any measurement of lease liabilities. The cost of ROU assets includes the amount of lease liabilities recognized, initial direct cost incurred, and lease payment made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight line basis over the lease term, or remaining period of the lease term.

The bank assessed all lease contracts live in 2025 and recognized as ROU of assets of all leases, except short term and low value of assets as guided by Banks' own policy set as per IFRS-16. The ROU assets are presented in the Note 12.1 of these financial statements. "

**Lease Liabilities (Bank as a lessee):**

"At the commencement of the lease, the bank recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed and variable lease payment (less any adjustment for initial payment), and amount is expected to be paid under residual value of guarantees.

In 2025, the bank reassessed all lease payment of existing contracts for remaining period considering a cut-off date i.e. 01 January 2020. The lease liabilities are presented in the Note 17.0 of these financial statements.

**Bank as a lessor:**

"Leases where the bank does not transfer substantially all of the risk and benefit of ownership of any asset are classified as operating assets. Rental income is recorded as earned based on the contractual term of the lease. However, the Bank did not hold any such assets in 2025."

**Recognition of consideration made under contract in exchange of use of rental premises/assets:**

"As per IFRS 16, when consideration is made by the bank under contract in exchange of use of rental premises or assets for a period not exceeding a period of twelve months, and or, the present value of the obligation plus initial payment under contract does not exceed the threshold limit of the bank, and substantially all the risk and benefit of ownership of those rental premises/assets does not transfer to the bank, then the bank considers the payment (other than advance payment) as rental expense under IFRS 15 Revenue from contracts with customers. "

Therefore, in 2025, IBBPLC recognized those payments against contracts that do not qualify as lease item under IFRS-16 as rental expense which is presented in Note 30.0 of the financial statements for the year ended 31 December 2025.

Particulars	Amount in Tk.
Depreciation charge for right-of-use (ROU) assets by class of underlying asset	846,518,610
Finance charge on lease liabilities	259,338,075
Total cash outflows	859,250,330
Carrying amount of right of use assets at the end of the reporting year	3,992,508,228
Lease obligation on ROU assets as at end of the reporting year	4,534,071,273

**2.17 Changes in accounting estimates**

Estimates arise because of uncertainties inherent within them, judgment is required but this does not undermine reliability. Effect of changes of accounting estimates is included in profit or loss account.

**2.18 Verification of financial statements through Document Verification System (DVS)**

As per BRPD Circular Letter No. 4 dated 04 January 2021, it has been ensured that latest available audited financials are preserved in the investment file of all our clients. In addition to that as per BRPD Circular Letter No. 35 dated 06 July 2021, we have been granted access in DVS by The Institute of Chartered Accountants of Bangladesh (ICAB) which we have implemented verification of financials through DVS for all our clients (100%) which are listed with Stock Exchanges. We have also performed verification of 12.19% which non listed/not listed with Stock Exchanges.

**3.0 Summary of significant accounting policies**

Accounting policies are determined by applying the relevant guidelines of Bangladesh Bank as well as the relevant IFRS. Where there is no available guidelines of BB and IFRS, management uses its judgment in developing and applying an accounting policy that results in information that is relevant and reliable. The Bank selects and applies its accounting policies for a period consistently for similar transactions, other events and conditions, unless IFRS or Bangladesh Bank guidelines specifically requires or permits categorization of items for which different policies may be appropriate. The accounting policies set out below have been applied consistently in all material respects to all periods presented in these consolidated financial statements:

**3.1 Cash and cash equivalents**

Cash and cash equivalents include notes and coins in hand and at ATM, balances held with Bangladesh Bank and its agent bank, balance with other banks and financial institutions which are not ordinarily susceptible to change in value.

### 3.2 Investment in shares and securities

Investment in shares and securities (other than Investment in Bangladesh Government Islamic Investment Bond) are initially recognized at cost and subsequently measured and accounted for depending on their classification criteria as either held to maturity or held for trading. Transaction costs that are directly attributable to the acquisition added to the initial cost except for the investment classified as held for trading where they should be recognized in profit or loss.

Investment in Bangladesh Government Investment Sukuk is reported at cost price.

Investments in quoted and unquoted shares are revalued at the year-end at market price and at net assets value (NAV) of last audited balance sheet respectively. As such, provision is made against the diminution in value of investments netting off gain /loss arises from the market of the securities.

Investment in mutual fund is revalued is mentioned in Note-3.2.3. As such, provision is made for any loss arising from diminution in value of investments (portfolio basis).

Investment in Government securities (other than investment in Bangladesh Shipping Corporation) are measured both initially and subsequently at cost as the Bank is not allowed to invest in interest bearing government securities like T-bond, T-bill etc. So the instructions and circulars related to the recognition and measurement of those instruments are not applicable for the Bank.

Investment in Bangladesh Shipping Corporation was initially recognized at cost. Transaction costs directly attributable to the acquisition added to the cost. After initial recognition investments are measured at the year end market price and change in the market price is recognized in equity under the head revaluation surplus.

Investment in subordinated bond is measured both initially and subsequently at cost.

Investment in Mudaraba Perpetual Bond is reported at cost price. As per Bangladesh Bank DOS circular no. 04 dated 24 November 2011, provision for diminution in value of investment in Mudaraba Perpetual Bond was made by netting off unrealized gain/loss of shares from market price less cost price.

#### 3.2.1 Held to Maturity (HTM)

Investments which are intended to be held till maturity are classified as 'Held to Maturity' (HTM). These are measured at amortized cost at each year end by taking into account any discount or premium on acquisition. Premiums are amortized and discounts are accredited, using the effective or historical yield. Any increase in value of such investments is booked to equity but decrease to profit and loss account.

#### 3.2.2 Held for Trading (HFT)

These are investments primarily held for selling or trading. After initial recognition, investments are marked to market and any decrease in the present value is recognized in the Profit and Loss Account and any increase is booked to Revaluation Reserve Account through Profit and Loss Account as per DOS Circular no. 05 dated 28 January 2009.

#### 3.2.3 Investment- Initial recognition and subsequent measurement

Investment class	Initial Recognition	Measurement after initial recognition	Recording of Changes
Govt. treasury securities - BGIB/Sukuk	Cost	Cost	None
Debenture/Bond	Cost	Cost	None
Shares (Quoted)	Cost	Lower of cost or market value (overall portfolio)	Loss (net off gain) to profit and loss account but no unrealized gain booking.
Shares (Unquoted)	Cost	Lower of cost or Net Asset Value (NAV) of last audited financial statements	Loss to profit and loss account but no unrealized gain booking.
Mutual fund (Open-end)	Cost	If, average cost price (CP) > Surrender Price then the shortfall amount is required as provision.	Loss (net) to profit and loss account but no unrealized gain booking.
Mutual fund (Close-end)	Cost	Lower of cost or market value (overall portfolio)	Loss (net off gain) to profit and loss account but no unrealized gain booking.

### 3.3 Investments

Investments are recognized at gross amount on the date on which they are originated. After initial recognition investments are stated in the Balance Sheet net off profit receivable and unearned income. However, provision for investments are not net-off with investments.

**Profit Receivable** – the amount of unexpired portion of profit charged on Bai-Murabaha investment at the time of sale of goods/ services to customer/ client.

**Unearned Income** - the amount of unrealized portion of profit/ value addition of fixed assets [property, plant & equipment] under Hire Purchase Under Shirkatul Melk (HPSM) investment for gestation period.

### 3.4 Fixed assets [Property, plant & equipment and intangibles]

#### 3.4.1 Property, plant and equipment

##### 3.4.1.1 Recognition

The cost of an item of property, plant and equipment is recognized as an asset if, and only if, it is probable that future economic benefits will flow to the Bank and the cost of the item can be measured reliably.

##### 3.4.1.2 Measurement at recognition

An item of property, plant and equipment that qualifies for recognition as an asset is measured at its cost. The cost of an item of property, plant and equipment is the cash price equivalent at the recognition date. The cost of a self-constructed asset is determined using the same principles as for an acquired asset.

**3.4.1.3 Elements of costs and subsequent costs**

Cost includes purchase price (including import duties and non-refundable purchase taxes), directly attributable costs to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by the management and the initial estimate of the cost of dismantling and removing the item and restoring the site on which it is located. Costs of day to day servicing (repairs and maintenance) are recognized as expenditure as incurred. Replacement parts are capitalized, provided the original cost of the items they replace is derecognized.

**3.4.1.4 Measurement of property, plant & equipment after recognition**

**Cost model**

After recognition as an asset, an item of property, plant and equipment shall be carried at its cost less any accumulated depreciation and any accumulated impairment losses.

**Revaluation model**

The revaluation model requires an asset, after initial recognition, to be measured at a revalued amount, which is its fair value less subsequent accumulated depreciation and impairment accumulated losses.

Where an asset's carrying amount is increased as a result of a revaluation, the increase is recognized in equity under the heading of revaluation surplus. However, the increase is recognized in profit or loss to the extent that it reverses a revaluation decrease of the same asset previously recognized in profit or loss.

Where an asset's carrying amount is decreased as a result of a revaluation, the decrease is recognized in profit or loss. However, the decrease is recognized in equity to the extent of any credit balance existing in the revaluation surplus in respect of that asset. The decrease recognized in equity reduces the amount accumulated under the heading of revaluation surplus.

The revaluation surplus included in equity in respect of an item of property, plant and equipment is transferred directly to retained earnings when the asset is derecognized. However, some of the surplus is transferred as the asset is used by the Bank. In such a case, the amount of the surplus transferred would be the difference between depreciation based on the revalued carrying amount of the asset and depreciation based on the asset's original cost.

**3.4.1.5 Derecognition of property, plant and equipment**

The carrying amount of an item of property, plant and equipment is derecognized on disposal or when no future economic benefits are expected from its use or disposal. The gain or loss arising from the derecognition of an item of property, plant and equipment is included as other income in profit or loss when the item is derecognized.

**3.4.1.6 Asset retirement obligations (ARO)**

Asset retirement obligations (ARO) are recognized when there is a legal or constructive obligation as a result of past event for dismantling and removing an item of property, plant and equipment and restoring the site on which the item is located and it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount of obligation can be made. A corresponding amount equivalent to the provision is also recognized as part of the cost of the related property, plant and equipment. The amount recognized is the estimated cost of decommissioning, discounted to its present value. Changes in the estimated timing of decommissioning or decommissioning cost estimates are dealt with prospectively by recording an adjustment to the provision, and a corresponding adjustment to property, plant and equipment. The periodic unwinding of the discount is recognized in the statement of profit or loss as a finance cost as it occurs.

**3.4.1.7 Depreciation**

The depreciation charge for each period is recognized in profit or loss unless it is included in the carrying amount of another asset. Depreciation of an asset begins when it is installed and available for use, i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. Depreciation of an asset ceases at the earlier of the date that the asset is classified as held for sale and the date that the asset is derecognized. The residual value and the useful life of an asset is reviewed at least at each financial year-end and, if expectations differ from previous estimates, the change(s) shall be accounted for as a change in an accounting estimate.

Depreciation is calculated based on the cost/revalued amount of items of fixed assets [property, plant & equipment] less their estimated residual values using either of Straight-Line Method (SLM) or Reducing Balance Method (RBM) over their estimated useful lives and recognized in profit and loss. Land is not depreciated. Rates of depreciation considering the useful life of respective assets are as follows:

Items	Method	Rates
Building	Reducing Balance	2.5% on Book Value
Furniture and fixtures-Steel	-Do-	05% on Book Value
Furniture and fixtures-other than Steel	-Do-	10% on Book Value
Mechanical appliances	-Do-	20% on Book Value
ATM	-Do-	10%-25% on Book Value
Books	-Do-	25% on Book Value
Motor vehicles	Straight-line	16.67% - 20.00% on Original Cost
Computers	-Do-	25% on Original Cost

**3.4.2 Capital work in progress**

Fixed assets that is being under construction/acquisition is accounted for as capital work in progress until construction/acquisition is completed and measured at cost. The work in progress is transferred to cost of that fixed assets when the construction is completed and it becomes available for use.

**3.4.3 Intangible assets**

**3.4.3.1 Recognition**

The recognition of an item as an intangible asset requires the Bank to demonstrate that the item meets the definition of an intangible asset and the recognition criteria. An intangible asset is recognized as an asset if, and only if, it is probable that expected future economic benefits that are attributable to the asset will flow to the Bank and the cost of the item can be measured reliably.

**3.4.3.2 Measurement**

An intangible asset is measured at cost less any accumulated amortizations and any accumulated impairment losses. Subsequent expenditures are likely to maintain the expected future economic benefits embodied in an existing intangible asset rather than meet the definition of an intangible asset and the recognition criteria. Therefore, expenditure incurred after the initial recognition of an acquired intangible asset or after completion of an internally generated intangible asset is usually recognized in profit or loss as incurred. The rates used for amortizing intangible assets is 25.00%.

### 3.4.3.3 Amortization

The depreciable amount of an intangible asset with a finite useful life shall be allocated on a systematic basis over its useful life. Amortization begins when the asset is available for use, i.e. when it is in the location and condition necessary for it to be capable of operating in the manner intended by management. Amortization ceases at the earlier of the date that the asset is classified as held for sale and the date that the asset is derecognized. An intangible asset with an indefinite useful life is not amortized.

### 3.5 Impairment of Fixed assets [property, plant & equipment and intangibles]

#### Recognizing and measuring impairment loss

Where the recoverable amount of an asset is less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. That reduction is an impairment loss. An impairment loss on a non-revalued asset is recognized in profit or loss. However, an impairment loss on a revalued asset is recognized directly in equity to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that same asset. Such an impairment loss on a revalued asset reduces the revaluation surplus for that asset.

The Bank assesses at the end of each reporting period whether there is any indication that an asset may be impaired. If any such indication exists, the Bank estimates the recoverable amount of the asset. Irrespective of whether there is any indication of impairment, the Bank tests an intangible asset with an indefinite useful life or an intangible asset not yet available for use for impairment annually.

### 3.6 Other assets

Other assets include all other financial assets, other income receivable, advance against expenses etc.

### 3.7 Non-banking assets

Non-banking assets are acquired on account of the failure of a client to repay the investment in time after receiving the decree from the court regarding the right and title of the mortgaged property.

### 3.8 Placement from banks and other financial institutions

Placement from banks and other financial institutions are stated in the financial statement at principal amount of the outstanding balance.

### 3.9 Deposits and other accounts

Deposit and other accounts include Al Wadeah current deposit as well as savings, term and other Mudaraba deposits. Deposits by customers and banks are recognized when the Bank enters into contractual agreements with the counterparties. These items are brought to Financial Statements at the gross value of the outstanding balance.

### 3.10 Mudaraba Bond

#### 3.10.1 Mudaraba Perpetual Bond

Mudaraba Perpetual Bond (MPB) was issued by the Bank under the mudaraba principles of Islamic Shari'ah as per approval of Bangladesh Bank Letter No. BRPD (P-1)661/14(a)/2006-1437 dated 07.05.2006 and Bangladesh Securities and Exchange Commission Letter No. SEC/CI/CPLC-118 /2006/385 & SEC/CI/RPO-01/2007/386 both dated 10.06.2007. One bond fully was redeemed in the year 2025 and the bond outstanding against remaining 05 (five) bonds lying with the Bank including IBBLPLC 5th Mudaraba Redeemable Non-convertible Subordinated Bond which is issued in the year 2025 under the criteria for inclusion of debt instruments in Regulatory Capital (specific eligibility criteria outlined by the Bangladesh Bank for subordinated debt to qualify as Tier 2 capital). During the year, 2025, principal redemption was made for Tk. 100 crore against IBBL Mudaraba Redeemable Non-convertible Subordinated Bond of Tk. 500 crore; Tk. 140 crore against IBBL 2nd Mudaraba Redeemable Non-convertible Subordinated Bond of Tk. 700 crore; Tk. 120 crore against 1st Tranche Issue and Tk. 120 crore against 2nd Tranche Issue of IBBL 3rd Mudaraba Redeemable Non-convertible Subordinated Bond. The claims of the subordinated bondholders are junior to the claims of the depositors and the other creditors.

#### 3.10.4 Usage of IBBLPLC 5th Mudaraba Redeemable Subordinated Bond

The fund raised is not meant for financing any particular project utilizes the proceeds of the Issue for its regular business activities to extend the investment facility to the existing clients and to extend investment facility to the new clients in different sectors for sustainable business growth.

### 3.11 Provisions

#### 3.11.1 Provision for investments

Provision for investments is made on the basis of quarter-end review by the management and in accordance with the instructions contained in BRPD Circular No. 15 dated 27 November 2024 and BRPD Circular No. 29 of 2025 dated 21 December 2025 under the revised classification and provisioning framework. The rates of provision are as shown in the table below.

SL	Investment Type	CL Categories	Rate of Provision
1	CMS Enterprise Credits under CMSME Sector & Short-Term Agricultural Investments	STD-0	1%
		STD-01	1%
		STD-02	1%
		SMA	1%
2	Other than CMS Enterprise Credits under CMSME Sector & Short-Term Agricultural Investments	STD-0	1%
		STD-01	1%
		STD-02	1%
		SMA	5%
3	All Types of Investments	SS	20%
		DF	50%
		BL	100%

#### 3.11.2 Provision for diminution of value of shares and securities

Provision for diminution of value of shares and mutual funds, placed under other liability, has been made on portfolio basis following DOS Circular No. 01 dated 24 May 2023. Details are stated in Note 17.2 of these financial statements.

#### 3.11.3 Provision for off-balance sheet exposures

In compliance with BRPD Circular no. 06 dated 25 April 2023 the Bank has been maintaining provision against off-balance sheet exposures (mainly contingent assets/liabilities) Note-2.1.VII.

#### 3.11.4 Provision for other assets

Provision for other assets is made as per the instructions made in the BRPD circular No. 04 dated 12 April 2022 and other instructions made by Bangladesh Bank. (Note- 17.3.1).

#### 3.11.5 Provision for nostro accounts

Provision for unsettled transactions in nostro accounts is made as per BRPD circular No. 04 dated 12 April 2022. On the reporting date, the Bank has no unsettled transactions outstanding for more than 3 months and no provision has been made in this regard.

#### 3.11.6 Other provisions, accruals and contingencies

##### 3.11.6.1 Recognition of provisions, accruals and contingencies

A provision is recognized when the Bank has a present obligation (legal or constructive) as a result of a past event; it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; a reliable estimate can be made of the amount of the obligation. Accruals are liabilities to pay for goods or services that have been received or supplied but have not been paid, invoiced or formally agreed with the supplier, including amount due to employees.

Contingent liabilities are not recognized in the financial statements. Disclosure on contingent liabilities has been made on the face of balance sheet under 'Off-balance Sheet Items' as per BRPD circular No. 14 dated 25 June 2003 and BRPD 15 dated 09 November 2009.

##### 3.11.6.2 Measurement of provision

The amount recognized as a provision is the best estimate of the expenditure required to settle the present obligation at the end of the reporting period.

##### 3.11.6.3 Changes and uses of provisions

Provisions is reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources embodying economic benefits will be required to settle the obligation, the provision is reversed. A provision is used only for expenditures for which the provision was originally recognized. Only expenditures that relate to the original provision are set against it. Setting expenditures against a provision that was originally recognized for another purpose would conceal the impact of two different events.

### 3.12 Post employment benefits

The Bank provides various long-term and short-term benefits to the employees under different schemes. Details of the benefit plans are given below:

#### 3.12.1 Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions to a separate entity and has no legal or constructive obligation to pay further amounts. Obligations for contributions to defined contribution plan are recognized as personnel expense in profit or loss in the periods during which related services are rendered by employees. The Bank maintains one funded defined contribution plan for its regular employees - Provident fund.

##### 3.12.1.1 Provident fund

The Commissioner of Income Tax, Dhaka (North) has approved the provident fund as a recognized provident fund within the meaning of section 2 (52) read with the provision of part – B of the First Schedule of Income Tax Ordinance 1984. The Provident Fund is for the regular and confirmed employees who works for a minimum period of 5 (five) years at the Bank and it came into force with effect from 1st day of March 1986. The Fund is operated by a separate Board of Trustee. The fund receives contributions @ 10% of the basic pay both from employees and employer. Subsidiaries of the Bank also operate separate provident funds for its regular employees funded by both the employees and employee equally.

#### 3.12.2 Defined benefit plans

A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Bank's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods. The Bank has two funded defined benefit plans - Gratuity fund and Superannuation fund.

##### 3.12.2.1 Gratuity fund

The National Board of Revenue has approved the gratuity fund as a recognized gratuity fund on December 27, 1995. The Gratuity Fund for the regular and confirmed employees of the Bank was established on 01 March 1986. The employees who served at least 7 (seven) years, served for minimum 12 (twelve) years & served for 20 (twenty) years at the Bank are entitled to get gratuity equivalent to 1 (one) month's basic pay, 1.5 (one and a half) months' basic pay & entitled to get 2 (two) months' basic pay respectively for each completed years of service and fraction thereof. The fund is operated by a Board of Trustee. Adequate contributions have been made as per the recommendation of actuarial valuation report during the year.

##### 3.12.2.2 Superannuation fund

The Fund came into force with effect from the 19 June, 2008. It was established for financial help to the members of the Bank Employees' Superannuation Fund and their families in case of retirement, death, physical disability of employee while in service or of any incidence of like nature acceptable to the Board of Trustees and retirement from the service.

#### 3.12.3 Short-term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Companies has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably.

#### 3.12.4 Other employee benefits

Other employee benefits include which are not included in short-term employee benefits, post-employment benefits and other termination benefits.

##### 3.12.4.1 Benevolent fund

The Benevolent Fund for the regular and confirmed employees of the Bank was established in the year 1986. This Fund is mainly used for payment of grant to meet some unexpected and specific needs of the staffs of the Bank like accident, clinical treatment, marriage ceremony of the employees and their dependents, burial expenses of employees' death, scholarship/cash award to the meritorious students among the children of the Bank's officers and sub-staff and allow short term quard/ etc.

#### 3.12.5 Workers' Profit Participation Fund (WPPF)

As per Bangladesh Labor Act, 2006 as amended in 2013 all companies fall within the scope of WPPF (which includes Bank) are required to provide 5% of its profit before charging such expense to their eligible employees within the stipulated time. The Bank obtained opinion from its legal advisor regarding this issue which stated that the Bank is not required to make provision for WPPF as the provision of Bangladesh Labor Act 2006 as amended contradicts with that of the Bank Company Act 1991. As such consistent with widely accepted industry practice as well lawyer opinion the Bank did not make any provision during the year for WPPF.

### 3.13 Taxation

The tax expense for the period comprises current tax and deferred tax. Tax is recognized in the income statement, except in the case it relates to items recognized directly in equity. In this case, the tax is also recognized directly in equity.

#### 3.13.1 Current tax

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the reporting date and any adjustment to the tax payable in respect of previous years. Provision for current income tax has been made as per the prescribed rate in the Income Tax Act 2023 on the accounting profit made by the bank after considering some of the add-backs to income and disallowances of expenditure as per income tax laws with IAS-12, "Income Taxes". Provision for current income tax has been made on taxable income of the Bank as per following rates:

Type of income	2025	2024
Business income	37.50%	37.50%
Capital gain	10% to 15%	10% to 15%
Other Income (Dividend income)	20%	20%

#### 3.13.2 Deferred tax

##### Principle of recognition

Deferred tax is recognized as income or an expense amount within the tax charge, and included in the net profit or loss for the period. Deferred tax relating to items dealt with directly in equity is recognized directly in equity.

**Recognition of taxable temporary difference**

A deferred tax liability is recognized for all taxable differences, except to the extent that the deferred tax liability arises from the initial recognition of goodwill; or the initial recognition of an asset or liability in a transaction which is not a business combination; and at the time of the transaction, affects neither accounting profit nor taxable profit (tax loss).

**Recognition of deductible temporary difference**

A deferred tax asset is recognized for all deductible temporary differences to the extent that it is probable that taxable profit will be available against which the deductible temporary difference can be utilized, unless the deferred tax asset arises from the initial recognition of an asset or liability in a transaction that is not a business combination; and at the time of the transaction, affects neither accounting profit nor taxable profit (tax loss).

**Measurement**

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

**Deferred tax on revaluation**

The revaluation does not affect taxable profits in the period of revaluation and consequently, the tax base of the asset is not adjusted. Hence a temporary difference arises. An upward revaluation will therefore give rise to a deferred tax liability. IBBPLC recognizes the underlying revaluation directly in equity, so the deferred tax thereon is also recognized as part of tax relating to equity. IBBPLC transfers each year from revaluation surplus to retained earnings an amount equal to the difference between the depreciation based on the cost of that asset. The amount transferred is net off any related deferred tax.

**3.14 Share capital and reserves**

**3.14.1 Capital**

**Authorized Capital**

Authorized Capital is the maximum amount of share capital that the Bank is authorized to raise as per its Memorandum and Articles of Association.

**Paid-up Capital**

Paid-up Capital represents total amount of shareholders' capital that has been paid in full by the shareholders. Shareholders are entitled to receive dividend as approved from time to time in the Annual General Meeting.

**3.14.2 Share Premium**

Share premium arose from sale of some un-subscribed Right Share for the year 1996 at above the par value and can be utilized as per section 57 of the Companies Act, 1994.

**3.14.3 Statutory reserve**

As per section 24 of the Bank Company Act, 1991 as amended, at least 20% of the net profit before tax is transferred to statutory reserve each year until the cumulative balance of the reserve equal to the paid-up capital.

**3.14.4 Assets revaluation reserve**

This represents the difference between the book value and the re-valued amount of premises (Land and Building) of the Bank as assessed by professional valuers in the year 2000, 2002, 2003, 2004, 2005, 2006, 2009 and 2012 which were reviewed by the then statutory auditors. To calculate Capital to Risk Weighted Assets Ratio (CRAR), 50% of the same was considered as a component of supplementary capital as per Bangladesh Bank BRPD Circular No. 24 dated 03 August 2010 up to 2014. However, as per BRPD circular 18 dated December 21, 2014, the revaluation reserve for Fixed assets [property, plant & equipment] already have been deducted from Tier-2 capital with a phase in manner from 2015 to 2019.

**3.14.5 Revaluation reserve of securities**

Investment in shares of Bangladesh Shipping Corporation qualified for Statutory Liquidity Reserve (SLR) as per Bangladesh Bank Letter No. BCD (P)744(23)(II)/1030 dated 08.11.1983, BRPD Circular No.15 dated 31.10.2005, DOS Circular Letter No.10 dated 11.09.2006, BRPD Circular No.03 dated 12.03.2008 and DOS Circular Letter No.05 dated 26.05.2008. The shares have been revalued as on 30.12.2017 on the basis of closing market price of Dhaka Stock Exchange Limited (DSE). The surplus is credited to Revaluation Reserve on securities account and 50% of the revaluation reserve upto 2014 has been taken as a component of Supplementary Capital as per Bangladesh Bank BRPD Circular No. 24 dated 03 August 2010. and shown in the Statement of Changes in Equity as per Bangladesh Bank guidelines up to 2014. As per BRPD circular 18 dated December 21, 2014, the revaluation reserve for securities has been deducted from Tier-2 capital from 2015 to 2019.

**3.14.6 Non-controlling interest**

Non-controlling interest is the equity in the subsidiaries that is not attributable, directly or indirectly to the parent. The Bank attributes the profit or loss and each component of equity to the owners of the parent and to the non-controlling interests. When the proportion of the equity held by non-controlling interests changes, the Bank adjusts the carrying amounts of the controlling and non-controlling interests to reflect the changes in their relative interests in the subsidiaries.

The Bank presents non-controlling interests in the consolidated statement of financial position (Balance Sheet) within equity, separately from the equity of the owners of the Bank. Changes in the Bank ownership interest in a subsidiary that do not result in losing control of the subsidiary are equity transactions (i.e. transactions with owners in their capacity as owners).

**3.14.7 Regulatory capital in line with Basel-III**

Till December 2014, as per Revised Regulatory Capital Framework in line with Basel III, full amount of general provision for unclassified investments and off-balance sheet items & Mudaraba Subordinated Bond as capital gone-concern. However, as per Guidelines on Risk Based Capital Adequacy (Revised Regulatory Capital Framework for Banks in line with Basel-III), BRPD No.18, dated 21 December 2014, Assets Revaluation Reserve and Revaluation Reserve of Securities has gradually been deducted in a transitional arrangement starting from January 2015 to December 2019 (20% each year). Accordingly regulatory capital for the period has been calculated complying with all of these changes as per Revised Regulatory Capital Framework for Banks in line with Basel-III. In addition, while calculating regulatory capital the forbearance by the regulator in terms of deferral facility of provision had been considered as per Letter No. BSD-11/43(3)/2026-508. dated 28 April 2026.

### 3.15 Foreign currency transactions

#### 3.15.1 Initial recognition

A foreign currency transaction is recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

#### 3.15.2 Subsequent measurement

A foreign currency transaction may give rise to assets or liabilities that are denominated in a foreign currency. These assets and liabilities is translated into the Bank's functional currency at each reporting date. However, translation depends on whether the assets or liabilities are monetary or non-monetary items:

##### Monetary items

Foreign currency monetary items outstanding at the end of the reporting date are translated using the closing rate. The difference between this amount and the previous carrying amount in functional currency is an exchange gain or loss. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements is recognized in profit or loss in the period in which they arise.

##### Non-monetary items

Non-monetary items carried at historic cost are translated using the exchange rate at the date of the transaction when the asset arose (historical rate). They are not subsequently retranslated in the individual financial statements of the Bank. Non-monetary items carried at fair value are translated using the exchange rate at the date when the fair value was determined.

When a gain or loss on a non-monetary item is recognized in equity, any exchange component of that gain or loss is recognized in equity. Conversely, when a gain or loss on a non-monetary item is recognized in profit or loss, any exchange component of that gain or loss is recognized in profit or loss.

#### 3.15.3 Translation of foreign currency financial statement

The assets and liabilities of foreign operations (Note- 1.3) are translated into presentation currency in the current statement of financial position using the closing rate at the reporting date. The income and expenses of foreign operations are translated at spot exchange rates at the date of transactions as long as practicable; otherwise average rate of exchange has been used. Foreign currency differences arising on translation are recognized in equity under the head translation reserve.

### 3.16 Income

#### 3.16.1 Investment income

Income from general investments is accounted for on accrual basis except for investments under Musharaka, Mudaraba, Bai-Salam, Bai-as-Sarf and Ujarah (Khidmah Card) modes of Investment where the investment income is accounted for on realization basis. The Bank does not charge any rent during the gestation period of investment against Hire Purchase under Shirkatul Melk (HPSM) mode of investment but it fixes the sale price of the assets at a higher level in such a way to cover its expected rate of return. Such income is recognized on realization basis.

Profit/Rent/Compensation accrued on classified investments are suspended and accounted for as per circulars issued by Bangladesh Bank in this regard from time to time. At the time of recovery or regularization of those investments the related income which was suspended and shown as a liability is taken as investment income (except compensation) as per circulars issued by Bangladesh Bank. As a result, all the transferred amount to investment income from suspense during the year has already been included in the investment income of the Bank.

Profit on deposits with other banks & financial institutions is accounted for on accrual basis.

#### 3.16.2 Sharing of investment income

In case of investment, Mudaraba fund gets preference over cost free fund. The investment income earned through deployment of Mudaraba Fund is shared by the Bank and the Mudaraba depositors at the pre-agreed ratio.

#### 3.16.3 Income from investment in Bangladesh Government Islamic Investment Bond (BGIIB)

Profit from investment in Bangladesh Government Islamic Investment Bond (BGIIB) is accounted for on an accrual basis.

#### 3.16.4 Income from investment in subordinated bond

Profit from investment in subordinated bond is accounted for on an accrual basis.

#### 3.16.5 Fees, commission and exchange income

Fees, commission and exchange income on services provided by the Bank are recognized as and when the related services are rendered. Commission charged to customers on letter of credit and letter of guarantee are credited to Income at the time of effecting the transactions.

#### 3.16.6 Dividend income

Dividend income from investments is accounted for when the right to receive income is established.

### 3.17 Expenses

#### 3.17.1 Management and other expenses

Expenses incurred by the Bank are recognized on actual and accrual basis.

#### 3.17.2 Profit paid on deposits

As per agreement between the Mudaraba depositors and the Bank in line with Mudaraba Principle, the Mudaraba depositors are entitled to get minimum 65% of the investment income earned through deployment of Mudaraba Fund as per weightage assigned to each type of Mudaraba deposit. In the year 2025, the Bank complied the distribution of investment income earned through deployment of Mudaraba fund. Al-Wadeeah Depositors do not share any income of the Bank. Profit is paid/provided to Mudaraba Deposit accounts at provisional rate on half-yearly/yearly/anniversary basis considering overall projected growth, performance and profitability of the Bank during the year. Final Rates of profit of any accounting year are declared after finalization of Shari'ah Inspection report and certifying the Investment Income of the Bank by the statutory auditors.

### 3.17.3 Zakat

Zakat is paid by the Bank at the rate of 2.58% (instead of 2.50% as the Bank maintains its financial statements following Gregorian Year) and calculated on the closing balances of Share Premium, Statutory Reserve, General Reserve and Dividend Equalization Accounts. Zakat is charged in the Profit & Loss Account of the Bank as per "Guidelines for Islamic Banking" issued by Bangladesh Bank through BRPD Circular No. 15 dated 09.11.2009. Zakat on Paid up Capital as well as zakat on Deposits are not paid by the Bank, since these are the responsibility of the Shareholders and Depositors respectively. However, since the actual deficit in provision without forbearance by the regulator (Note: 17.1.5) is higher than zakatable reserves during the year-2025, Zakat expenses had not been considered as per verdict of the Shariah Supervisory Committee in its 269 th meeting held on April 16, 2026.

### 3.18 Dividend payments

As per Bangladesh Bank Instructions vide letter no. BSD-11/43(3)/2026-508, dated 28 April 2026, no dividend had been declared/Proposed for the 2025. Thus no liability has been recognized to this effect.

### 3.19 Revenue, gains, expenses & losses prohibited by Shari'ah

Income (doubtful, compensation & other earnings) which is prohibited by shari'ah are not being included in the distributable income of the Bank.

#### 3.19.1 Doubtful income

Doubtful income which is prohibited by Shari'ah due to lapses in compliance of Shari'ah principles for investment as per Shari'ah Supervisory Committee report is included in the investment income of the Bank and appropriate amount of corporate tax is provided on it accordingly on these whole amount whether realized or not. However, as per decision of the Shariah Supervisory Committee (SSC) in its 269 th meeting held on April 16, 2026, the reported income was neither distributed to the depositors nor the shareholders. The SSC had given deferred facility for 5 years to gradually utilize the doubtful income in shariah approval charitable purposes.

#### 3.19.2 Compensation

Bank charges compensation on overdue investments under Bai-modes. The amount of compensation is not included in investment income rather kept separately under other liabilities (Note-17.5) titled as " compensation account". Applicable tax on the amount is provided/paid from those account. However, the compensation amount had been accounted for actual administrative expenses against classified investment, CRR penalty and penal interest on overdraft payment as per verdict of SSC in its 269st meeting held on April 16, 2026

#### 3.19.3 Other earnings

Interest received from the balances held with foreign banks and from foreign currency clearing account with Bangladesh Bank are not credited to income, since it is not permissible as per Shari'ah. These are expended for charitable purposes after payment of corporate income tax thereon.

### 3.20 Inter-branch transactions

Transactions with regard to inter-branches and units are reconciled regularly and efforts are taken to minimize the unreconciled entries at the end of the year.

### 3.21 Earnings per share (EPS)

#### Measurement

##### Basic EPS

The Bank calculates basic earnings per share amounts for profit or loss attributable to ordinary equity holders of the parent entity. Basic earnings per share is calculated by dividing profit or loss attributable to ordinary equity holders of the parent entity (the numerator) by the weighted average number of ordinary shares outstanding (the denominator) during the period. The company calculates earnings per share (EPS) in accordance with IAS 33, "Earnings Per Share" which has been shown on the face of the Profit and Loss Account.

##### Diluted EPS

The Bank calculates diluted earnings per share amounts for profit or loss attributable to ordinary equity holders of the parent entity. For the purpose of calculating diluted earnings per share, the Bank adjusts profit or loss attributable to ordinary equity holders of the parent entity, and the weighted average number of shares outstanding, for the effects of all dilutive potential ordinary shares. Dilution of EPS is not applicable for these financial statements as there was no dilutive potential ordinary shares during the relevant periods. Hence no Diluted EPS has been calculated. Consolidated basic EPS has also been calculated and presented in the same manner.

##### Presentation

The Bank presents basic and diluted earnings per share in the statement of profit or loss. The Bank presents basic and diluted earnings per share with equal prominence for all periods presented. The Bank presents basic and diluted earnings per share, even if the amounts are negative (i.e. a loss per share).

### 3.22 Segment reporting

As per IFRS 8 An operating segment is a component of the Bank that engages in business activities from which it may earn revenues and incur expenses and whose operating results are regularly reviewed by the Bank's chief operating decision maker to make decisions about resources to be allocated to the segment and assess its performance, and for which discrete financial information is available. The Bank reports separately information about each operating segment that has been identified as an operating segment and exceeds the quantitative thresholds.

#### Quantitative thresholds

The Bank reports separately information about an operating segment that meets any of the following quantitative thresholds:

- Its reported revenue, including both external customers and inter segment, is 10 percent or more of the combined revenue, internal and external, of all operating segments.
- The absolute amount of its reported profit or loss is 10 percent or more of the greater, in absolute amount, of (i) the combined reported profit of all operating segments that did not report a loss and (ii) the combined reported loss of all operating segments that reported a loss.
- Its assets are 10 percent or more of the combined assets of all operating segments.

Operating segments that do not meet any of the quantitative thresholds may be considered reportable, and separately disclosed, if Management believes that information about the segment would be useful to users of the financial statements.

### 3.23 Events after the reporting period

All material events after the reporting period that provide additional information about the Companies/Bank's position at the balance sheet date are reflected in the financial statements as per IAS-10 "Events after the Reporting Period". Events after the reporting period that are not adjusting events are disclosed in the notes when material (Note - 41.0).

All other material events after the reporting period have been considered and appropriate adjustments/disclosures have been made in the financial Board's recommendation for dividend distribution is a common item presented in the Note 41.0.

### 3.24 Risk management

The Bank Company Act, 1991 as amended and the Bangladesh Bank Regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Bank. The Management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

The risk of a bank is defined as the possibility of losses, financial or otherwise. BRPD circulars no.17 dated 07 October 2003, BRPD circular no. 04 dated 05 March 2007 and DOS circular no. 2 dated 15 February 2012 require banks to put in place an effective risk management system. The Risk Management of the Bank covers 6 (six) Core Risk Areas of Banking industry i.e. Investment (Credit) Risk, Foreign Exchange Risk, Asset-Liability Management Risk, Money Laundering Risk, Internal Control & Compliance Risk and Information & Communication Technology Risk. The risk management procedures in the core risk areas have been devised in line with the core risk management guidelines of Bangladesh Bank. All the Risk Management Guidelines are periodically reviewed by the Bank and Bangladesh Bank periodically inspects the implementation status of these guidelines and as per the reports of Bangladesh Bank, the Bank is well compliant in Core Risk Management activities.

In line with instruction of Bangladesh Bank, the Bank formed a Risk Management Wing (RMW) to formulate risk assessment and management policies, methodologies, guidelines and procedures for risk identification, risk measurement, risk monitoring, deciding acceptable level of risk and risk controlling. Risk management function involves identification, assessing, taking mitigating steps, preparing Risk Management Paper (RMP), conducting monthly risk management meeting, stress testing and reporting the competent authority from time to time. It also reports to Bangladesh Bank on quarterly basis along with the RMP, minutes of the monthly meeting and all other required supporting papers. Moreover, in compliance with the "Bank Company Act 1991 as amended", Section 15 (Kha) and BRPD Circular No. 11 dated 27 October, 2013 of Bangladesh Bank, the Bank has constituted a Risk Management Committee comprising of 2 (two) directors from the Board to formulate risk management policies, procedures and oversee the risk management activities of the Bank.

The prime objective of the Risk Management is that the Bank takes well calculative Business Risk Policy for safeguarding the Bank's capital, its financial resources and profitability from various risks. In this context, the Bank implemented all the guidelines of Bangladesh Bank as under:

#### 3.24.1 Internal Control and Compliance

Operational loss may arise from errors and fraud due to lack of internal control and compliance. With a view to overcome such lapses and verification of asset quality, ensure quality of customer service, overall security arrangement, operational efficiency and compliance of regulatory issues as guided through different circulars, manuals from Head Office and other regulatory bodies. Bank organizes its management through Internal Control & Compliance Wing (ICCW) which consists of three Divisions namely (I) Audit & Inspection Division, (II) Compliance Division and (III) Monitoring Division.

##### I. Audit & Inspection Division

Internal Audit & Inspection Division undertakes periodical and special audit of Branches, Divisions and Departments of Head Office of the Bank, its subsidiaries and Foundation to review operational effectiveness and internal & external compliance requirements. The Bank has introduced Risk Based Internal Audit of the branches. The Audit Committee of the Board subsequently reviews the lapses identified by Audit and Inspection Division. The Audit Committee also reviews Bangladesh Bank Inspection Reports and other issues indicated in the guidelines prescribed by Bangladesh Bank. Necessary steps/measures are taken on the basis of observations & suggestions of the Committee.

The Audit & Inspection Division conducts investigations against complaints received from customers, anonymous persons, management & others and submits the reports to the competent authority. Periodical Inspection reports of Zonal Heads, Shari'ah Inspections & Branch Manager's self Audit are also reviewed by the Division regularly and necessary guidance and suggestions are given with continuous follow-up there against.

##### II. Compliance Division

The Compliance Division handles the 'regulatory issues of Bangladesh Bank as well as other regulatory bodies' and submits 'status report on regulatory compliance' quarterly to the Audit Committee as per BRPD Circular No.12 dated 23.12.2002.

The Compliance Division ensures that the Bank complies with all regulatory requirements while conducting its day to day business. The Compliance Division maintains liaison with the regulatory bodies for any regulatory changes and notify the same to all concerned.

### III. Monitoring Division

This Division performs the following:

- i) Assesses the risk of the functional areas of the Branches described in the Departmental Control Function Checklist (DCFCL) and determines the frequency of Audit/Inspection under risk based approach of the branches based on the gravity of risks involved.
- ii) Monitors the Internal Control Functions through the Quarterly Operations Report (QOR) and other mechanisms.
- iii) Checks the completion/execution of Investment Documentation.

#### 3.24.2 Foreign Exchange Risk Management

Foreign Exchange Risk is the current or prospective risk to earnings and capital arising from adverse movements in currency exchange rates. The Bank is exposed to profit rate risk and settlement risk on account of its foreign exchange business. Foreign Exchange business includes trading of foreign currencies relating to import, export, remittances and other ancillary services. The Bank is dealing with a substantial volume of foreign trade and remittance business of the country which exposes the Bank to foreign exchange risk. The Bank has adopted foreign exchange risk manual through which the foreign exchange operations are dealt with.

Foreign Exchange risks are measured and monitored by the Treasury Division. Treasury Division consists of separate Front Office, Back Office and Mid Office. The Treasury Front Office (Dealing Room) independently performs the deals and the Treasury Back Office is responsible for verification of the deals and passing of their entries in the books of account.

The Foreign Exchange Risk is minimized through proper market analysis, real time pricing of Foreign Exchange, fixation of different market related limits (daylight, overnight, stop loss and management action trigger) and counter parties credit limits set by the management and ensure adherence to the limits by the Treasury Front Office. All Foreign Exchange transactions are revalued at weighted average exchange rate as provided by Bangladesh Bank at the end of each month. All Nostro Accounts are reconciled regularly and outstanding entries are reviewed by the management for its settlement/recompilation. The open position maintained by the Bank at the end of the day remains within the stipulated limit prescribed by the Bangladesh Bank.

#### 3.24.3 Investment (Credit) Risk Management

Investment (Credit) risk is one of the major risks faced by the Bank. This can be described as potential loss arising from the failure of counter party to perform as per contractual agreement with the Bank. The failure may result from unwillingness or inability of the counter party in discharging his / her financial obligation. Therefore, Bank's Investment (Credit) Risk Management activities have been designed to address all these issues. The Bank has designed its own operational manuals for each modes and products. It has also designed its own investment risk management guideline which is compatible with the regulatory guideline and Islamic modes of finance. There is a dedicated committee namely "Investment Risk Management Committee" which periodically reviews the operational manuals and risk management guidelines and ensures compliance of the same. The prime objective of the risk management is that the Bank undertakes well calculated business risks to safeguard its capital, financial resources and growth of sustainable profitability

#### 3.24.4 Asset Liability Management

The Asset Liability Committee (ALCO) of the Bank monitors balance sheet risk, liquidity risks, investment deposit ratio (IDR), deposit mix, investment mix, gap analysis etc. under the leadership of Managing Director of the Bank. Asset Liability Committee (ALCO) reviews liquidity requirement of the Bank, the maturity of assets and liabilities, deposit and investment pricing strategy, sensitivity of assets and liabilities, management indicators/ratios and the liquidity contingency plan. The primary objective of the ALCO is Liquidity management, Fund management and Assets-Liabilities matching. The committee also monitors and averts significant volatility in Net Investment Income (NII), investment value and exchange earnings.

#### 3.24.5 Money Laundering Risk

Money Laundering risk is defined as the loss of reputation and expenses incurred as penalty for being negligent in prevention of money laundering. For mitigating the risks, Islami Bank Bangladesh PLC. has formed 10 (ten) members Central Compliance Committee (CCC) under the leadership of a senior Deputy Managing Director of the Bank as the Chief Anti Money Laundering Compliance Officer (CAMLCO) at Head Office. Apart from that, Branch Compliance Units (BCU) and Zone Compliance Units (ZCU) are also functioning under the leadership of Branch Anti Money Laundering Compliance Officer (BAMLCO) at branch level and Zone Anti Money Laundering Compliance Officer (ZAMLCO) at Zonal Offices.

The Bank has introduced a comprehensive AML Policy namely "POLICY AND GUIDELINES FOR PREVENTION OF MONEY LAUNDERING AND TERRORIST FINANCING RISK MANAGEMENT" under the light of local Laws, Rules & Regulations as well as international best AML practices duly approved by the Board of Directors, IBBPLC.

As per approved Policy, IBBPLC has been conducting many time-befitting programs to prevent Money Laundering & Terrorist Financing which include among others (a) Central Customer On-boarding, (b) Electronic Know Your Customer (e-KYC), (c) KYC Remediation including all Legacy Accounts, (d) Automated Transaction Monitoring and filing of Suspicious Transaction Report (STR)/Suspicious Activity Report (SAR) to Bangladesh Financial Intelligence Unit (BFIU), (e) Electronic Record Keeping, (f) Building of employee awareness and skill on prevention of Money Laundering & Terrorist Financing round the year through training-seminar-symposium, workshop held both home and abroad, (g) Maintaining Self-Assessment Report by every branch, (h) Conducting Independent Testing by the Internal Auditors of the Bank to assess the correctness and accuracy of the activities of the branches on AML & CFT as instructed by BFIU, the local AML & CFT regulator of Bangladesh and so on.

#### 3.24.6 Information and Communication Technology Risk Management

The Bank has adequately addressed Information and Communication Technology (ICT) Risk Management. It is an in-depth exercise and continual process. The ICT Risk Management exercise mainly includes minimizing financial and image loss to the institution in all events such as natural disasters, technological failures, human errors etc. The Bank uses own developed Core Banking Software to perform all types of transactions including local/ online/ internet in a secured way. To take care of its core banking system, a separate security module has been incorporated in the software which manages different roles/privileges for different users. All financial transactions can be tracked for future audit purposes.

The Bank uses Central Data Centre to replicate transactions in branches in case of data failure or inconsistencies. Data travelling through network uses encryption and decryption mechanism.

In line with the Bangladesh Bank directives, the Bank has approved its own ICT policies for its operations and services. Under these policy guidelines, a security policy has also been worked out. To abide by and adhere to what is laid down in the policy; the implementation has been made through Active Directory Services (ADS), Password Policy, Kerberos Policy, Audit Policy, Group Policy, User Rights, Permission Policy etc. In order to secure network resources from public network, the Bank has introduced Virtual Private Network (VPN), Access Control List (ACL), IP filtering and TCP/UDP service blocking through router and firewall devices. It has already centralized the administrative control to access the network, mailing system and internet. The Bank has introduced Business Continuity Plan (BCP) for its entire network and trained the officials to cope up with any contingencies.

#### **3.24.7 Internal audit**

Internal Audit is used as an important element to ensure good governance of the Bank. Internal Audit activity of the Bank is effective and it provides senior management with a number of important services. These include detecting and preventing fraud, testing internal control, and monitoring compliance with own policies & procedures, applicable rules & regulations, instructions/ guidelines of regulatory authority etc.

During the year 2025, Audit & inspection Division of Internal Control & Compliance Wing conducted inspection on all of the Branches/ Divisions of Head Office of the Bank and submitted reports presenting the findings of the audits/ inspections. Necessary control measures and corrective actions have been taken on the suggestions or observations made in these reports. The reports or key points of the reports have also been discussed in the meetings of the Audit Committee of the Board and necessary steps have been taken according to the decision of the said Committee for correct functioning of Internal Controls & Compliance.

#### **3.24.8 Fraud and forgeries**

Fraud means willful or criminal deception intended to result in financial or personal gain. It will never be possible to eliminate all fraud and no system is completely fraud proof, since many fraudsters are able to bypass control systems put in place. The Bank continuously pays attention to implement and improve the anti-fraud internal controls for prevention of fraud and forgery. The Bank assesses /evaluates the effectiveness of its Anti-Fraud Internal Control measures on quarterly basis as per the items/ areas mentioned in the prescribed checklist of Bangladesh Bank. During the year 2025, no fraud has been detected by the Bank.

#### **3.25 Credit rating report**

Emerging Credit Rating Limited (ECRL) was engaged by the Bank for the purpose of rating the Bank since 2022 as per Bangladesh Bank BRPD Circular No.06 dated 5 July 2006. ECRL has assigned 'A' rating for the long term, indicating above average credit quality, and 'ST-2' for above average ability to meet short term financial commitments.

#### **3.26 Impact on COVID-19**

On 11 March 2020, World Health Organization (WHO) declared a global pandemic due to Corona Virus related respiratory disease commonly called as COVID-19. To contain the spread of this disease, along with many other countries of the world, Government of Bangladesh has also taken a number of measures such as declaration of general holiday, enforcement of lock down, social distancing etc. While the overall effect of COVID-19 global pandemic on Bank's business in the past years is still evolving at this point, there has been limited impact assessed on the business since the outbreak. The board and management are regularly monitoring the potential impact of the pandemic on the Bank as the situation continues to deteriorate but are assured that any foreseeable adverse impact can be reasonably managed.

The management of the Bank assessed the going concern and found no uncertainty regarding this for the foreseeable future due to COVID-19. The global economy including Bangladesh has been seriously affected since March 2020 due to the outbreak of COVID-19 that has caused disruption in Export and Import business.

**Islami Bank Bangladesh PLC. (Off-Shore Banking Unit)**

**Notes to the Financial Statements**

**As at and for the year ended 31 December 2025**

**1.0 Status of the Units**

Off-shore Banking Units (OBU) of Islami Bank Bangladesh PLC. governed under the rules and guidelines of Bangladesh Bank. The Bank obtained permission from Bangladesh Bank for operating of Off-shore Banking Units located at Head Office Complex Branch, Dhaka, Agrabad Branch, Chattogram and Uttara Branch, Dhaka vide Bangladesh Bank letter no. BRPD (P-3)744 (111)/2010-1032 dated 28 March 2010. The Bank has Commenced the operation of its Off-shore Banking Units from 08.02.2011 at Head Office Complex Branch, Dhaka, from 27 September 2011 at Agrabad Branch, Chattogram and from 01 June 2015 at Uttara Branch.

**1.1 Principal activities**

The principal activities of the OBU are to provide mudaraba investment against payment of import bills under UPAS (Usance Payment at Sight) to its customers of Off-shore Banking Units in Bangladesh.

**1.2 Significant accounting policies and basis of preparation of financial statements**

**1.2.1 Basis of accounting**

The Off-shore Banking Units maintain its accounting records in USD from which accounts are prepared according to the Bank Company Act, 1991 as amended, International Financial Reporting Standards (IFRSs) and other applicable directives issued by Bangladesh Bank. All the financial statements relating to the OBU has already been accounted for in the separate financial statements of the Bank (considering necessary adjustments relating to intra-units transactions and balances). Along with that, this financial statements relating to OBU only is prepared and disclosed in compliance with the requirements of Bangladesh Bank.

**1.2.2 Use of estimates and judgments**

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the report amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. The figures (BD Taka/BDT) appearing in these Financial Statements have been rounded off to the nearest integer.

**1.2.3 Foreign currency transactions**

**a. Foreign currency transactions**

Foreign currency transactions are converted in to equivalent Taka using the ruling exchange rates on the dates of respective transactions as per IAS-21 "The Effects of changes in Foreign Exchange Rates". Foreign currency balances held in US Dollars (USD) are converted into Taka at weighted average rate of inter-bank market as determined by Bangladesh Bank on the closing date of every month.

**b. Transaction gains and losses**

The resulting exchange transaction gains and losses are included in the profit and loss account.

**1.2.4 Translation reserve**

The activities of OBU is considered as foreign operation due to it's different functional currency other than the non-OBU operation of the Bank. As per IAS - 21, items of balance sheet of OBU has been translated to presentation currency using closing rate and items of income and expenditure has been translated to presentation currency using spot rate prevailing on the date of actual transaction, otherwise average rate has been used. Due to the above translation using two rates the arising differences have been kept as translation reserve.

**1.2.5 Retained earnings/Net profit transferred to main operation**

As on 31 December the net income in USD/foreign currency of OBU is transferred to main operation of the Bank at exchange rate prevailing on that date.

**1.2.6 Cash flow statement**

Cash flow statement has been prepared as per BRPD Circular No. 14, dated June 25, 2003 issued by the Banking Regulation and Policy Department of Bangladesh Bank.

**1.2.7 Comparative information and rearrangement thereof**

Comparative figures have been re-arranged wherever considered necessary to ensure better comparability with the current period without causing any impact on the profit and value of assets and liabilities as reported in the financial statements.

**1.2.8 Reporting period**

The financial statements cover from 01 January 2025 to 31 December 2025.

**1.3 Assets and basis of their valuation**

**1.3.1 Cash and cash equivalents**

Cash and cash equivalents include notes and coins on hand, unrestricted balances held with Bangladesh Bank and highly liquid financial assets which are subject to insignificant risk of changes in their fair value, and are used by the unit's management for its short-term commitments.

### 1.3.2 Investments

Investment of OBU are stated in the balance sheet on net basis. Profit is calculated on daily product basis but charged and account for on realisation/cash basis.

### 1.4 Allocation of common expenses

Establishment expenses in the nature of rent, rates, taxes, management expenses, printing and stationery, electricity, postage, stamps, telecommunication and audit fees etc. have not been separately accounted for in the financial statements, but staff costs (salaries and allowances) are separately accounted for OBU.

### 1.5 Profit paid on mudaraba deposits/placement

OBU obtains fund under placement from abroad (different foreign Banks) and OBUs of different Banks in Bangladesh (BD) based on Mudaraba Agreement and pays proportionate amount of investment income earned through deploying these fund as profit. In some cases OBU pays profit at provisional rate in advance which is shown as "Prepaid profit on placement" under other assets.
